**To Assemble:**

**Before you start to assemble your tree, choose a location near a wall outlet. Make sure the tree stand is placed on a level surface.**

**Step 1:** Insert the top section of tree into the bottom section of tree,

**Step 2:** Insert the tree body into the tree stand pot

**Step 3:** Shape the branches to your preference by working from the bottom to the top, When shaping the branches start with tips farthest from the pole. One to the right, one to the left, and one at the center of the main stem.,slightly upseep all branch tips for a uniform look.

**Step 4:** Plug the cord into the wall outlet , Your tree is now ready to decorate and enjoy.

## Operation:

After the plugs are plugged into the wall outlet your entire tree should be lit. If some bulbs do not light, search for any loose plugs, broken, loose or missing bulbs that may have caused the problem. Replace bulbs promptly with replacement bulbs provided in order to maintain the performance and life expectancy of you tree.

**Step 1:** Connet the light strings of the tree togheter and plug the power cord into a wall outelt.

**Step 2:** If a bulb is blown, replace the faulty bulb following the diagram below. Spare bulbs are included for easy replacement..

**Step 3:** If the tree comes with a foot pedal ,step on the On/Off button.

## **WARNING-Risk of Fire and Electric Shock:**

1. Read all instructions and warning tags included with this tree.
2. For Indoor Use Only.
3. Do not place near gas or electric heaters, radiators, fireplaces, or other similar sources of heat.
4. Place on a level, hard, flat surface; do not place where tree is likely floors or thick carpeting.
5. Do not use candles on tree.
6. After assembly and adding decorations, make sure the tree is stable. If stable, shift the weight of the decorations, and use support wires to walls and/or window frames (make sure they are secure also).
7. Do not overload extension cords or power strips, see ratings on those devices and check the rating labels on the tree for compatibility.
8. Do not install near fountains, bathtubs, sinks, pools or other areas of standing water.
9. Only use this product with extension cords rated for indoor and outdoor use.

**PROPOSITION 65 WARNING:** This product can expose you to chemicals including lead, phthalate (DEHP) which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## **Care and Cleaning:**

**Step 1:** Remove all ornaments and decorations.

**Step 2:** Unplug the cord from the wall and then unplug each section of the tree.

**Step 3:** Gently lift the tree top straight up to remove from the center section and fold all branches towards the pole.

**Step 4:** Carefully place all tree sections into a shipping box and tape it shut.

**Step 5:** Store your tree in a cool, dry place away from sunlight.
